PLANNED PARENTHOOD SOUTH ATLANTIC, et al.,	) Case No. 3:18-cv-2078-MGL
Plai	intiffs, )
v.	) PLAINTIFFS' ANSWERS TO ) LOCAL CIVIL RULE 26.03 ) INTERROGATORIES
JOSHUA BAKER,	)
Def	fendant. )

Plaintiffs Planned Parenthood South Atlantic ("PPSAT") and Julie Edwards hereby answer the interrogatories set forth in Local Rule 26.03 (D.S.C.) as follows:

## 1. A short statement of the facts of the case.

PPSAT offers Medicaid patients a range of family planning and other reproductive health services and preventative care at two centers in Columbia and Charleston, South Carolina. Patients insured through Medicaid choose PPSAT based on a number of factors. PPSAT is a known provider of high-quality medical care in a nonjudgmental, culturally-sensitive environment. PPSAT particularly tries to address the obstacles to care that Medicaid patients with limited income face by providing same-day and walk-in appointments, flexible scheduling, short wait-times, and same-day contraceptive services so patients only need to make one trip to the health center.

Despite PPSAT's provision of high-quality medical care, Governor McMaster sought to exclude PPSAT and other abortion providers from all publicly-funded health care networks. To that end, on July 13, 2018, Governor Henry McMaster issued an Executive Order directing the

South Carolina Department of Health and Human Services ("DHHS") to "deem" all abortion clinics and any affiliated physicians "unqualified" and to "immediately terminate them upon due notice and deny any future such provider enrollment applications for the same." S.C. Executive Order 2018-21 (July 13, 2018.)

On that same day, DHHS notified PPSAT that "[t]he Governor's actions result in Planned Parenthood no longer being qualified to provide services to Medicaid beneficiaries" and that it was terminating PPSAT as a Medicaid provider effective immediately. Termination Letter from Amanda Q. Williams, Health Servs. Acting Program Dir., DHHS Divs. Of Health Servs. Operations & Clinical Quality to PPSAT (July 13, 2018.)

PPSAT's Medicaid enrollment was, in fact, terminated immediately, and thereafter, PPSAT was not able to seek reimbursement for services to Medicaid patients.

Plaintiffs filed this lawsuit challenging the termination on July 30, 2018, in the Charleston Division of the District of South Carolina. At the same time, Plaintiffs filed a motion for temporary restraining order ("TRO") and preliminary injunction, asking the court to restore PPSAT's Medicaid enrollment during the pendency of the litigation. Defendant filed a motion to change venue to the Columbia Division. The court granted the motion to change venue. Thereafter, the court held a hearing and granted Plaintiffs' motion for TRO and preliminary injunction on August 28, 2018. PPSAT has been reinstated as a Medicaid provider.

Plaintiffs filed a motion for class certification. Defendant filed a motion to dismiss. The court has not yet ruled on these two motions.

On September 27, 2018, Defendant filed a Notice of Appeal to the United States Court of Appeals for the Fourth Circuit. This underlying case is stayed pending resolution of Defendant's appeal.
